CD Financial Transaction Credit or Gift Card*

Sports Media enables the advertiser to deliver a new level of marketing and sales programs. This could be in the form of a highly cost effective CD Gift Card, CD Credit Card, Internet Transaction Card, Customer Loyalty Card or Sports Card. The CD Card is the same size as a standard Credit Card with the added benefit of having a CD that holds 18 MB of standard information or 50 MB compressed information.

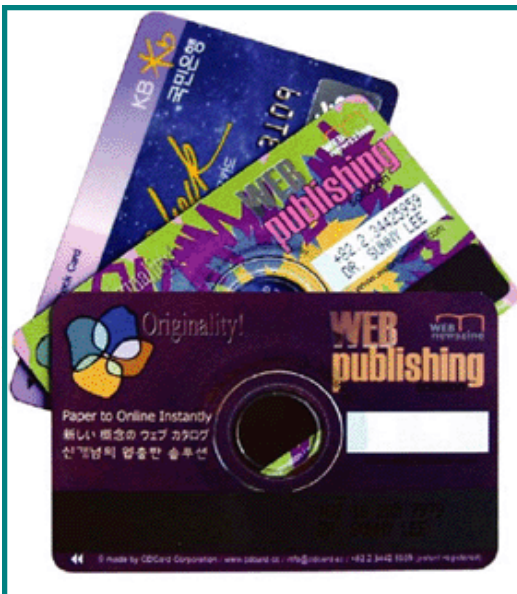

Sports Media offers content development, design, management, and the delivery of turnkey CD marketing solutions. Sports Media has the ability to uniquely identify each and every CD with the customers name, account number and a magnetic strip to open up a world of possibilities in creating innovative and exciting CD marketing programs, while linking the consumer directly to the advertiser. Compliance to ISO7810

CD Credit-Gift Cards offers the opportunity to Combine Video, Music, Games and Sweepstakes with Financial Transactions. Creating Higher Response Rates with Fast Measurable Results
